

Larry Anderson

Larry is the founder and CEO of Larry Anderson Consultants, a Fort Erie based consulting practice. He specializes in solving complex business problems from declining sales, to a lack of strategic focus, as well as misaligned management and the need to completely rebrand a business. He is a life-long resident of Niagara, born and raised in Fort Erie. He has always been active in his community through volunteering. He currently holds a committee position with Niagara College Business Advisory and sits on the boards of the Niagara Industrial Association, and Bethlehem Housing and Support Services.
