

PROJECT MONARCH: COMMITTING TO DIGITAL TRANSFORMATION

Members of the Project Monarch Executive team were proud to pledge their commitment to digital transformation at Niagara Health and Hotel Dieu Shaver as part of the Project Monarch Alignment Workshop.

Project Monarch Executive Sponsors Dr. Johan Viljoen (Niagara Health), Heather Paterson (Niagara Health), Sonali Kohli (Niagara Health) and David Ceglie (HDS), along with other executive team members signed commitment posters for the project.

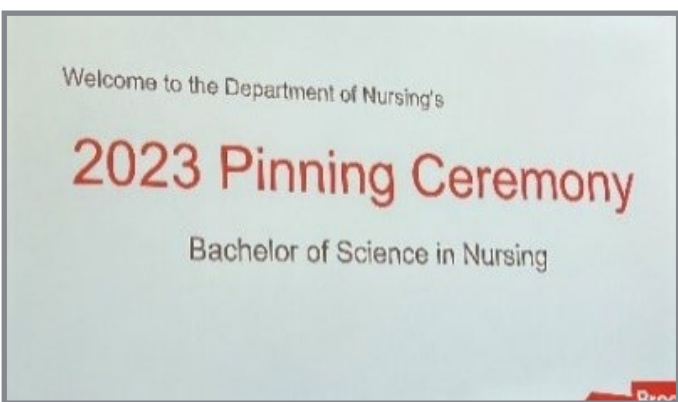

Both Niagara Health and Hotel Dieu Shaver are committed and eager to transform healthcare in Niagara, together through Project Monarch.

The posters display the Project Monarch vision, which is to positively and powerfully transform care in Niagara by:

- improving access to information;
- increasing the reliability, safety, quality and efficiency of our services;
- enhancing the experiences of patients, caregivers, staff and physicians; and
- attracting and retaining the best staff and physicians.

The project vision statement was developed at an Executive Leadership Workshop in February, which was led by Oracle Health, the Hospital Information System (HIS) vendor. Executive team members are pledging to lead and support our teams as we work together to deliver a modern HIS that will bring countless improvements for staff, physicians, patients, families and the community. The posters will be displayed across all Niagara Health sites and Hotel Dieu Shaver.

CONGRATULATIONS BROCK NURSING GRADUATES

On April 12, 2023, Hotel Dieu Shaver's Chief Nursing Officer, Jennifer Hansen, was honored to have the opportunity to address the 2023 Graduating Registered Nurses cohort from Brock University. The century-old tradition is a rite of passage for graduating nurses and represents a commitment to nursing education and training. In receiving and wearing the pin, students accept the rights and responsibilities to provide excellent care to patients and their loved ones. Congratulations Graduates!

MISSION MOMENT

WOUND CARE CORNER

Did you know that Hotel Dieu Shaver has a nurse-led wound care team? HDS' Nursing Manager, Stacey Hancharyk leads this team with Nurse Practitioner (NP) Lorrie Hudd, Wound Care Champions and interdisciplinary team members, who work together with our patients in the prevention and management of wounds here at HDS.

Meet all of Hotel Dieu Shaver's Wound Care Champions:

- Stacey Hancharyk – (Wound Care Team Lead, RN)
- Lorrie Hudd (Wound Care NP)
- Dayna Hayward (2W)
- Tatiana Tsigirlash (2W)
- Anne-Marie McLean (2E)
- Andrew Lillie (2E)
- Delaila Dela Cruz (1W)
- Jena Amodeo (1W)
- Deanna Manningham (1W)
- Janelle Russell (1E)

This month's Wound Care Corner features Wound Care Creams! Visit Wound Care Corner to learn all about this month's theme and participate in the Wound Care Question of the Month!

SPECIAL GIFT FROM ROTARY CLUB OF NIAGARA FALLS SUNRISE

The Rotary Club of Niagara Falls Sunrise made a donation which will fund the purchase of a new Stryker S3 bed!

STAFF SPOTLIGHT: TINA - DIETARY HELPER, FOOD SERVICES

Tina began her career at Hotel Dieu Shaver in 2002, working in Housekeeping. In 2017 she transferred to Food Services and has been working as a Dietary Helper ever since.

Prior to working at Hotel Dieu Shaver, Tina worked in the coffee kiosk of an acute care hospital, where she also volunteered on the pediatric ward. "As I observed how all of the staff, from nursing, housekeeping, dietary and all other departments worked

together to make a difference in patient's lives for the better I was inspired," says Tina. "I knew I wanted to be a part of that."

When Tina thinks about her most memorable moments in Food Services at HDS, she thinks about how her department recently celebrated Nutrition Month in March. "Our Manager, Ariza, along with our Dietitians, really went out of their way to create a fun filled event for all the hospital staff and physicians," explains Tina.

Throughout the month of March the Food Services department educated staff and patients on nutrition, provided nutritional food samples, as well as hosted daily activities and potlucks in their department as a team. "Of course, Ariza brought in her 'big speaker' so we could listen to great music, which helped to enhance the worked day," Tina says with a smile. "Dealing with the ongoing challenges of the pandemic, this really lifted our spirits and brought back that feeling of normalcy."

Tina finds cooking and baking to be her greatest passions. This is largely because Tina was surrounded by great cooks and bakers and certainly learned from the best. Now Tina prepares the same recipes that were passed down to her, such as her Baba's famous cabbage rolls, her mom's favourite carrot cake, her dad's famous homemade pizza and her father-in-laws wonderful homemade sauce and meatballs. "To me, there is nothing more rewarding than serving a homemade meal and dessert to my family and friends," says Tina.

When she isn't spending time at work, or preparing delicious meals and desserts for her family and friends, Tina can be found packing a picnic lunch and heading to Niagara-on-the-Lake on a warm summer day, or taking a family walk at Decew Falls in the spring or all seasons.

"I am incredibly fortunate to work with such a caring and wonderful team. I am so proud to tell people that I work at Hotel Dieu Shaver – the reputation speaks for itself." –

HDS FOUNDATION NEWS

THANK YOU HDS!

We were all SMILES to see how many members of our HDS Family came out to decorate cookies and show your support of HDS Foundation! We are thrilled to share.... we received \$69,140 which is funding the purchase of 7 patient beds and 6 specialty mattresses!
