

MERRY CHRISTMAS FROM HOTEL DIEU SHAVER!

MISSION MOMENT

Let us have music
for Christmas...
Sound the trumpet of joy
and rebirth;
Let each of us try,
with a song in our hearts,
To bring peace
on earth.

COMMUNITY CARE DELIVERY

Pictured L-R: Katie Stranges (Manager, Communications), Kelly (Rec Therapist), Betty-Lou Souter, Sister Louise Dillon (Director, Mission/Pastoral Services) and Lynne Pay (CEO).

The staff, physicians and volunteers at Hotel Dieu Shaver once again collected new, unwrapped toys, non-perishable food items and new or gently used clothing and winter accessories for Community Care of St. Catharines and Thorold. It was an honour to deliver these most needed items to Betty-Lou Souter, just in time for Christmas.

MOUNTAINVIEW COURTYARD CELEBRATES 10TH ANNIVERSARY

In 2012, Hotel Dieu Shaver proudly announced the opening of the hospital's new 5,700 square foot rehabilitation area, affectionately known as 'The Courtyard.' In 2020, the space was named "Mountainview Courtyard" in recognition of a generous gift by Mountainview Building Group.

2022 marks the 10th anniversary of the completion of this vital therapy space in Hotel Dieu Shaver's outpatient building. In celebration of this milestone anniversary, a short video was created highlighting this wonderful space that allows HDS' team the ability to rebuild lives and renew hope in Niagara every day.

CHRISTMAS PAINTING AT HDS

As you travel throughout the hospital, many of the windows between the inpatient and outpatient buildings have received a very festive upgrade. HDS staff dusted off their paint brushes again this year and hand painted various Christmas and winter images amongst the windows. These paintings are not only beautiful, but always prove to lift the spirits of HDS' staff, physicians, volunteers, patients & visitors!

Thank you to those HDS staff for painting our hospital windows and spreading Christmas joy for our patients!

PROJECT MONARCH

Over the next two years, Hotel Dieu Shaver and Niagara Health will be embarking on a digital transformation journey - a new digital hospital information system.

On December 15, an agreement with Cerner Corporation was signed to build a modern hospital information system that will serve all five Niagara Health sites and Hotel Dieu Shaver Health and Rehabilitation Centre.

The official signing was held at the Niagara Parks Butterfly Conservatory, marking the first major milestone for Project Monarch. This significant digital transformation journey will bring improvements for patients and their families, staff, physicians and the community.

The new health information system will replace paper records and outdated electronic processes with more modern, connected and accessible electronic health records. The system will enable better management of data, improved patient safety, faster access to information, enhanced quality and consistency of patient care.

HDS FOUNDATION NEWS

Happy Holidays!

May you and yours feel the love, peace and joy that comes with the spirit of Christmas.

We are truly grateful to include you as part of our Hotel Dieu Shaver family.

Wishing you good health and happiness in 2023!

YOUR FRIENDS AT HOTEL DIEU SHAVER FOUNDATION

Honour or Celebrate an Angel in Your Life!

Each donation made to the Snowflakes & Angels Christmas Campaign honours or remembers a loved one, with a light illuminated on the Hotel Dieu Shaver grounds.

Funds raised will support the purchase of priority patient care equipment that is not funded by the government, including: medication carts, patient beds and rehabilitation needs.

DONATE

This holiday season, we celebrate special angels close to our hearts.
