1.0 PURPOSE STATEMENT

In keeping with the Mission and Values of Hotel Dieu Shaver Health and Rehabilitation Centre, this policy provides appropriate facilities for parking of vehicles for employees, medical staff, patients and visitors to meet the need, having regard to responsible stewardship.

2.0 POLICY

It is the policy of the hospital that:

1. Reasonable parking facilities be provided for patients, visitors, physicians and staff.
2. The type of parking facilities be determined by the hospital administration in consultation with the Board of Trustees.
3. Appropriate controls be placed on access to parking areas and/or parking facilities.
4. The hospital Administration recommends to the Board of Trustees, the fees to be charged for parking from time to time.
5. A park permit will be issued to allow staff and physicians to parking areas and/or facilities.
6. Environmental Services will provide control and maintenance of the parking areas.
