

## NATIONAL DAY FOR TRUTH AND RECONCILIATION

Hotel Dieu Shaver humbly joins all Canadians across the country in recognizing the National Day for Truth and Reconciliation and the ongoing commitment to serve as a healing presence in the Niagara community. Hotel Dieu Shaver remains committed to continually building relationships with Indigenous Peoples as we journey together to ensure that justice, healing and reconciliation is available to all. Hotel Dieu Shaver staff and physicians wear orange shirts on this day, to raise awareness of the very tragic legacy of residential schools, and to honour the thousands of survivors. While Hotel Dieu Shaver's Canadian Flag was placed at half-mast, a moment of silence was observed at 11:00 a.m. to reflect on Canada's history and present day truths, as well as to commemorate the residential school survivors, their families, and their communities.

## MISSION MOMENT

## TIMS FOR GOOD

- Hotel Dieu Shaver staff and physicians were generously treated to coffee and donuts this month on behalf of Tim Hortons and the Tims For Good campaign. Hotel Dieu Shaver's CEO, Lynne Pay, was so grateful to accept this generous donation and note of thanks on behalf of the Hotel Dieu Shaver family.

## 2022 RHSJ PHYSICIAN EXCELLENCE RECIPIENTS

Focusing on the Mission, Vision and Values of Hotel Dieu Shaver and continuing the healing mission of the Religious Hospitallers of St. Joseph (RHSJ), the annual RHSJ Physician Excellence Award honours an HDS physician who demonstrates in his or her clinical practice the core concepts of Person and Family Centered Care, including dignity and respect, information sharing, participation and collaboration.

On Tuesday, September 27, at the Physician Excellence Award Presentation in the Dieu Drop In Café, HDS was pleased to announce the recipients of HDS' 2022 RHSJ Physician Excellence Award. HDS extends congratulations to all nominees and are pleased to share that this year's recipients are Dr. F. Emilio Raimondo and Dr. Wesley Reimer.

Congratulations to both Dr. Raimondo and Dr. Reimer, who are most deserving of this award and recognition!

**Click here** to read what Dr. Raimondo and Dr. Reimer's HDS colleagues had to say about these two very deserving physicians.

## CHHA HOUSEKEEPER AND EVS FRONTLINE AWARD OF EXCELLENCE

Congratulations to Hotel Dieu Shaver's Housekeeping team for being awarded Canadian Healthcare Housekeepers Association's 2nd Annual Frontline Award of Excellence! Recipients of this award must show strength and conviction through challenges by providing support to peers, take charge in difficult circumstances, make their facility a better place for patients and staff and contribute positively to the overall well-being of the organization. Congratulations HDS' Housekeeping team - very well deserved!

## REHABILITATION DAY

September 20 marked Rehabilitation Day - a day to recognize the life-changing impact of rehabilitation services and programs. Rehabilitation Day offers a chance to spread the word about the positive impact that rehab has on so many lives and recognize the rehab professionals who dedicate themselves to helping others. For patients, rehabilitation can improve health outcomes, reduce disability and help individuals remain independent. For the health care system, rehabilitation reduces costs and improves efficiency by shortening length of stay, reducing re-admission and emergency visits and helping patients flow through the system. This year we shared a series of rehabilitation posts on our social media pages, spotlighting just a few of our rehab professionals. Visit Hotel Dieu Shaver's Facebook, Twitter and Instagram pages (@HotelDieuShaver) to view the whole series.

### Andrea Portanova

Physiotherapist

"Physiotherapy plays an important role in a person's rehabilitation journey following a neurological, musculoskeletal or cardiovascular event, or as a result of a systemic illness/disease that has impacted their quality of life. Physiotherapists & Rehabilitation Assistants focus on improving range of motion, strength, endurance, balance and coordination, with the goal of improving functional mobility, such as being able to walk again. We educate, empower and encourage people to use movement as a medicine."

Niagara's only rehabilitation hospital, providing specialized post-acute hospital care & exceptional clinical outcomes to thousands of Niagara residents

## REMEMBERING CHUCK PAGE

Sadly Hotel Dieu Shaver Foundation has lost an extraordinary member of the HDS family, Chuck Page, who will always hold a special place in HDSF's heart. Through his work with Chuck's Challenge, he not only raised tremendous funds for patient equipment, he also brought a community together by inspiring Niagara to keep moving and to help others.

"On behalf of my family, I want to thank the Foundation and Hotel Dieu Shaver for all of your kindness and good wishes in recent years. The way you worked with us to celebrate his 100th birthday and fundraising campaign, culminating in that fantastic parade was something none of us will ever forget". ~ Nancy DeVuono (Chuck's daughter)

## BATTERY BINS

**DID YOU KNOW** HDSF has Battery Recycling Bins located at both main entrances at HDS? Bring in your household batteries to keep them out of the landfills and raise funds for patient care equipment. To date, over \$100,000 has been raised through this program!
