GUIDELINES FOR A SAFE HOSPITAL VISIT

Comfort. Care. Hope.

AS A VISITOR, YOU MUST:

- Wear a mask for the duration of your visit
- Pass screening in order to gain entry. Should a visitor fail the screening process, that visitor will not be permitted into the hospital
- Proceed directly to the patient's room, upon screening completion. **Visitation is restricted to the patient's bedside only.** Upon exit, all visitors must sign out at the screening desk
- Sanitize your hands before and after your visit
- Maintain physical distancing at a minimum of 2 meters (6 feet) between any person at all times

Food and drink is not permitted in the hospital at this time.

Do not touch anything in the patients room.

Use this time to visit with your loved one, they have missed you!

DAILY VISITATION BLOCKS

BLOCK ONE: 11:30 am to 1:00 pm

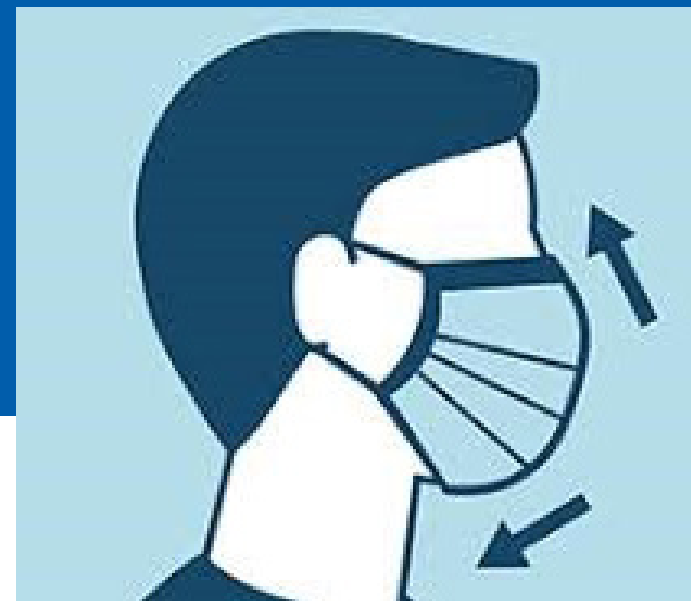

BLOCK TWO: 4:30 pm to 6:00 pm

*** patients can have one visitor per visitation time block ***

VISITATION GUIDELINES DURING COVID-19
