

David Ceglie

David Ceglie is currently the Vice President of Clinical Operations at Hotel Dieu Shaver Health and Rehabilitation Centre. Since joining Hotel Dieu Shaver in 2005, David has demonstrated continuous commitment to planning and implementing strategic direction in propelling healthcare and rehabilitation forward at Hotel Dieu Shaver, throughout Niagara and throughout the province of Ontario. David's dedication and drive have played a significant role in Hotel Dieu Shaver's success with rehabilitation transformation and the development and implementation of many new health service programs that have proven to be valuable in meeting unmet rehabilitation needs that have existed throughout the Niagara Region.

David holds a Bachelor of Health Science degree from the University of Western Ontario, a Master of Science degree in Occupational Therapy from D'Youville College, and a Master of Business Administration (MBA) degree with a dual concentration in Healthcare Administration and Strategic Management from Niagara University.

David is also actively involved with healthcare at a provincial level, as he is currently serving as Co-Chair of the Niagara Task Group Committee for the Provincial (RCA) Rehabilitation Care Alliance and is also a Co-Chair for the Hamilton Niagara Haldimand Brant (HNHB) LHIN Complex Care Post Implementation Steering Committee.

David also provides leadership throughout the community through volunteering his time to sit on various committees throughout the Niagara Region. David has been a member of the InCommunités Board of Directors since May 2011 and is currently fulfilling the role of Treasurer. In 2015, David was nominated for the "40 under Forty Award" and was successful in achieving this prestigious award.
